Master Scuba Diver Challenge

Whether you are an absolute beginner or a seasoned diver, we have something for everyone this summer.

Beginner courses start most weeks. We have trips and club dive days in the company of experienced divemasters and instructors, diving with seals and sharks, plus an active social calendar with our regular pool nights..... and of course the pub afterwards.

Come and join us. We will make you very welcome. The coffee is always on at the Dive Centre where you can pop in for a chat, find out what's going on and brows all the latest shiny things. Our experienced and knowledgeable staff are always available to lend a hand.

Let us share our passion and enthusiasm.

### **Win £500 of Diver Training with Divemaster Scuba**

Earning the rating of PADI Master Scuba Diver denotes that you've reached the highest recreational diver level in the PADI System of diver education. PADI Master Scuba Diver indicates you have a significant amount of training and experience in a variety of dive environments.

Each month newly, qualified Master Scuba Divers can enter into a PADI prize draw for a hard back copy of the Encyclopaedia of Recreational Diving plus PADI Backpack and certificate. At the end of the year all entrants will be entered into a prize draw for £500 worth of PADI training.

This summer we are increasing our open water training days to accommodate the acquisition of the necessary 5 speciality ratings required to apply for Master Scuba Diver.

See inside for further details...

## Divemaster Scuba Facebook Group

Locally, we are the largest independent dive club with over 1,300 members joining us since 1999. We have had members join us from as far apart as Devon, Scotland and Holland.

Our club and group holidays are legendary. We have also built up a large number of affiliations with other dive clubs, dive centres and individuals all over the world.

There is a large contingent of both PADI and BS-AC qualified members as well as most other diving agencies represented.

Facebook is a social networking web site which is interactive and provides an excellent vehicle for promoting events, keeping in touch with club activities, meeting new dive buddies and generally finding out what is going on. We also have short videos and a picture gallery which will keep you amused.

Join up and join in with us at [www.facebook.com](http://www.facebook.com). Log in and search for the Divemaster Scuba Group, and have some fun.
